Sir:

This is responsive to the Final Office Action mailed December 17, 2003, having a shortened period for response set to expire on March 17, 2004.

The following remarks are respectfully submitted.

REMARKS

INTRODUCTION:

Claims 16-85 are pending and under consideration. Reconsideration is requested.

REVISED SUBMISSION UNDER RULE 131

On pages 2-3 of the Office Action, the Examiner asserts that the Declaration under Rule 131 filed September 30, 2003 does not show a constructive reduction to practice on December 13, 1997 since constructive reductions to practice are limited to the filing of U.S. patent applications. As such, the Examiner appears to be asserting that the foreign filing of an application on which priority has been claimed under 35 U.S.C. §119 does not work as a constructive reduction to practice for the purposes of a Rule 131 Declaration.
